15th February 2017.

Dear Club President and Members.

As you would recall this time last year we were receiving information regarding the forthcoming March to May Membership drive, which encouraged the general public that had a passion for Volunteering with a Service Organisation to fill out our Lions application form on line, which was then forwarded on to the nearest Lions Club to follow up.

This year we are again having a "V" District March to May Membership Campaign, and all clubs will; in the next week receive brochures and application forms, so that we can be part of this important program again.

To make sure that we all achieve the required result in increasing members in our clubs, our V6 District will be having an information day on Sunday 2nd April 2017, the time will be 9.30 for 10.00am start and conclude at 2.00pm.

This will be held at the Yarrowonga Lions Clubrooms, which is the Newly Renovated Woolshed at the Showgrounds in Dunlop Street Yarrowonga

This day will be conducted by PDG Brenda Henderson and PDG Ann Eldridge who are very experienced Lions. This will be a very informative day regarding ways of encouraging New Members and most important retaining the Members that we have in our clubs.

This will also be another day that we are able to meet and talk to other members of our V6 District and swap ideas regarding various projects, and will also be a great opportunity to see what the Yarrowonga Lions Club has been able to do with a woolshed as the renovations are fantastic, and you will also be able to see where the "Yarrowonga Turban Angels" have made over 6,000 Turbans that have been provided free of charge to Oncology Patients.

This will be a very important day for your club, our V6 District and Lions Club International as by increasing our Membership we are able to Serve more people in need, and most of all our Lions Volunteer Organisations future depends on it.

RSVP: To Julie Simpson (email address above) BY MONDAY 27th MARCH 2017.

Kind Regards

Peter Poels

District Governor 2016-2017
